A mention of 'Drawing Horror manga' makes every single one of my friends frown. Do they think that, in the dead of night, I tie on a headband, stick in two candles, and chant a prayer to Buddha while I'm drawing manga?? Please don't make any mistakes here.

Spirit world employee, in this volume, before both ourselves and Tokiwa Kanenari appears the one who leads a mysterious existence as, simultaneously, both a cat and a young king, Fehmut-kun!!

ICARUS DONNED ARTIFICIAL WINGS, AND IN HIS FLIGHT, BECAME CHARMED BY THE BLUE OF THE SKY AND CLIMBED TOO HIGH...
DOES EVERYONE HERE KNOW THE LEGEND OF ICARUS?

WELL, TAKE SKY BLUE. OF THE SEVEN COLORS PRESENT IN THE SUN'S RAYS, THE DUST IN THE ATMOSPHERE REFLECTS ONLY THE BLUE RAYS, AND THAT FORMS THE BLUE OF THE SKY. BUT
THE COLOR WE CALL ULTRAMARINE IS THE SUPREME BLUE.
IT IS ONLY OVER DESERTS, SO DEAD THAT EVEN MICROSCOPIC ORGANISMS CAN'T LIVE THERE, LET ALONE HUMANS, THAT THAT BLUE IS TABLE TO EXIST

http://www.nightexile.gb.net/

SE... SENSEI... HAVE YOU SEEN 'ULTRAMARINE BLUE'?
NO.
IT ISN'T JUST ME.
I'M NOT SURE THERE'S A HUMAN ANYWHERE WHO'S SEEN IT.
BECAUSE, YOU KNOW, THAT'S A SKY THAT ABSOLUTELY CAN'T EXIST OVER LIVING THINGS.

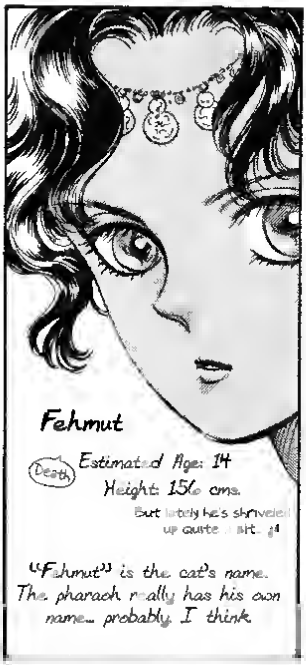
Golden Moon, Silver Stars / End

Night Exile
night_exile@irc.irchighway.net
http://www.nightexile.cjb.net

I had five pages in the first volume, but this time around they say there aren't ANY, so the "schoolgirl harem" is on vacation. Yeah, bummer. :(



Fehmut
Death
Estimated Age: 14
Height: 156 cms.
But lately he's shriveled up quite a bit. :(
"Fehmut" is the cat's name. The pharaoh really has his own name... probably. I think.

By the way, the setting for "Golden Moon, Silver Stars" is -out of the blue- Egypt!! I'm sure some people were surprised by such a forceful development, but actually (this is a normal thing, anyway, but) I was kind of running out of time, and I thought, "if it's set in a desert, the backgrounds should be easy to draw", so it was an easy out. And, since I drew it right after I saw Kal Smoky Ishii-san's black Arabian clothes at the Kome-Kome Club, this is the story that came out. That's what it's really like, you know... Akino Matsuri's manga.

On top of that, the boy-and-cat who should've appeared in the supporting role... For some reason he's stuck around, but honestly, I regret it now. I mean, this kid... His hair is greasy and twisty, and I have to use lots of screen-tone on his skin, and it's just way too much work.
